

State Telehealth Laws and Reimbursement Policies

FALL 2025

This chart provides a quick reference summary of each state's telehealth policy on Medicaid reimbursement, private payer reimbursement laws (both if a law exists and whether or not payment parity is required), and professional requirements around consent, cross-state licensure, and interstate compacts based on information gathered between late May and early September 2025. For further details, and additional categories, see each state's section on CCHP's [telehealth policy finder](#) tool.
