South Central TRC Feb. 2020 Legislative Update

Last Updated: February 28, 2020

South Central Telehealth Resource Center covers the states of Arkansas, Mississippi, & Tennessee

A few notes about this report:

1. Bills are organized into specific telehealth "topic area".
2. The Fiscal Note (FN) Outlook: The left hand column indicates the bill's Pre-Floor Score, and the right hand column indicates the bill's actual Floor Score of the last chamber it was in (either Senate or House).
3. Regulations are listed at the end in order of their publication date.
4. If you would like to learn more about any piece of legislation or regulation, the bill numbers and regulation titles are clickable and link out to additional information.

Bills by Topic

- Regulatory, Licensing & Advisory Board
- Private Payer Reimbursement
- Other
- Network Adequacy
- Medicaid Reimbursement
- Demonstrations, Pilots & Studies

Bills by Status

- 14 - Introduced

All Bills (by Topic)

Demonstrations, Grants & Pilot Projects (2)
Title
Public Funds and Financing - As introduced, adds requirements to the spending, dedicating, or reserve of certain funds from the temporary assistance for needy families (TANF) program by the department of human services and the department of health. - Amends TCA Title 4; Title 9; Title 68 and Title 71.

Bill Summary: Last edited by Christine Calouro at Feb 28, 2020, 6:55 PM Requires the department of health shall request and consider grant proposals, and make grant awards to qualified providers for evidence-based models and for innovations on evidence-based models, such as those using telehealth interventions and strategies for families with newborns that can improve program reach and effectiveness.
