Priority 1: Make temporary coverage expansions permanent and expand access to new modalities

Example work:

- Support payment parity for Medi-Cal Managed Care
- Support remote patient monitoring coverage for Medi-Cal and commercial plans
- Support continued FQHC/RHC coverage for telehealth
- Work with members to highlight patient stories on webinars, other materials aimed at policymakers and consumers
Priority 2: Build the evidence base for telehealth in California

Example work:

- Showcase research on monthly calls
- Develop a telehealth data clearinghouse on our website and leverage members’ data dashboards
- Release annual report for DHCS and the state legislature - align publication date with Fall Briefing
- Host Capitol Briefing in Fall 2021 (third annual)
- Host and co-host educational webinars. Key Topics: Equity, Telehealth & Triple Aim, RPM, broadband policy/Lifeline program, interoperability
Priority 3: Bridge the digital divide and addressing health equity

Example work:

- Promote heightened standards for broadband access and consumer subsidies for smartphones and internet access
- Demonstrate and build evidence base on the efficacy and quality of telephonic visits
- Track and highlight distribution of internet access/telehealth across communities (i.e., geographies, communities of color, the disabled community, older adults, teens and young adults)
- Identify resources for additional telehealth adoption including grants and technical assistance
Priority 4: Advance state leadership on telehealth and health IT

Example work:

- Advocate for state coordination on telehealth and related IT issues (i.e., telehealth integrations, public health reporting, health information exchange)
- Track regulatory requirements and required updates
- Conduct outreach to state agencies on telehealth policy in 2021
- Emphasize the need for modernization of telehealth and data sharing through state policy initiatives (i.e., CalAIM, Managed Care procurement)
